6 Parsa Power, LLC, a Nevada limited liability

Case No.: 2:18-cv-0758-JAD-VCF

**Order Directing Clerk of Court  
to Enter Default**

[ECF No. 7]

9 The plaintiff boards of trustees of various trust funds move the Clerk of Court to enter  
10 default against Parsa Power, LLC.<sup>1</sup> Plaintiffs' proof of service demonstrates that Parsa was  
11 properly served with the summons and complaint on May 3, 2018, making Parsa's answer due  
12 by May 24, 2018.<sup>2</sup> Parsa did not answer or otherwise defend. Instead, the court received a letter  
13 from Daood Molayan, the purported manager of Parsa Power Electric on May 18, 2018, in which  
14 Molayan states that Parsa "is not financially in a situation to hire any lawyer to defend the  
15 company at all. . . ."<sup>3</sup> The court construes this letter as an indication that the company does not  
16 intend to defend itself against this action, and because Parsa has not answered or otherwise  
17 defended in this case by the May 24, 2018, deadline,

18 **IT IS HEREBY ORDERED that the Clerk of Court is directed to ENTER DEFAULT**  
19 **[ECF No. 7-1] against Parsa Power, LLC.**
